

Aluminium Oxide Floor Sanding Belt 200x480MM

Product details

Product description

Special aluminium oxide grain mix which ensures high stock removal in the coarse grit range. The grain gives a very constant surface quality during the sanding process and guarantees robustness throughout the entire service life. The quality is extremely durable and gives a uniform sanding result.

Product information

Product Code	AC-YX
Grain	Aluminium Oxide
Bonding	Resin over resin
Backing	Polyester/cotton cloth
Coating	Closed coat
Grit range	16 - 120

Storage

Store in its original box on "first-in - first-out" cycle. Note: The shelf life may be shortened if the original packaging is not properly sealed or stored in an environment with high temperatures or humidity.

16 °C / 26 °C

35 - 50 %
