

## Sanding Disc Multihole Discs Ø406MM Velcro A/O Yellow

### Product details

### Product description

Minimize dust with Agera® | Proline Floor multihole discs with Velcro backing. The aluminum oxide abrasive works in combination with a unique hole pattern offers consistent, fast cuts with minimal dust and heat. D-weight latex saturated backing allows for optimal flexibility with reduced risk of tearing. Sand without fear of color transfer. This disc features a water-based, non-pigmented No-Fil coating to eliminate color transfer while resisting loading. This disc has a Velcro mounting back for sturdy hold and easy removal, and it's ideal for a range of materials, including woods and composites.

### Product information

<b>Product Code</b>	AC-PD
<b>Grain</b>	Aluminium Oxide
<b>Bonding</b>	Resin over resin
<b>Backing</b>	D-weight paper
<b>Coating</b>	Closed coat
<b>Grit range</b>	40 - 150

### Storage

Store in its original box on "first-in - first-out" cycle. Note: The shelf life may be shortened if the original packaging is not properly sealed or stored in an environment with high temperatures or humidity.

16 °C / 26 °C

35 - 50 %
