

## Proline Prof Sanding Disc Ø125 x 10MM + 8H Velcro

### Product details

### Product description

With our Agera® | Proline Prof we offer you the highest possible quality sanding discs for sanding hard surfaces and VOC lacquers. The specially developed abrasive grain contributes to 30% faster sanding and thanks to a special anti-clogging coating, the sanding discs have twice as long a lifespan. The specially developed quality Ceramix Plus can be applied to various surfaces without any problems. Thanks to the dust holes, dust-free sanding is possible, resulting in a pleasant working environment with an excellent end result. We design to perform!
