

### Proline Prof Sanding Disc Ø150 x 10MM + 48H Velcro

#### Product details

#### Product description

With our Agera® | Proline Prof we offer you the highest possible quality sanding discs for sanding hard surfaces and VOC lacquers. The specially developed abrasive grain contributes to 30% faster sanding and thanks to a special anti-clogging coating, the sanding discs have twice as long a lifespan. The specially developed quality Ceramix Plus can be applied to various surfaces without any problems. Thanks to the dust holes, dust-free sanding is possible, resulting in a pleasant working environment with an excellent end result. We design to perform!

#### Product information

Product Code	CP-PC
Grain	Ceramix Plus
Bonding	Resin over resin
Backing	C-weight paper
Coating	Closed
Grit range	60+ - 320+

#### Storage

Store in its original box on "first-in - first-out" cycle. Note: The shelf life may be shortened if the original packaging is not properly sealed or stored in an environment with high temperatures or humidity.
