

## Proline Prof Sanding Disc Power Mesh Ø150MM

### Product details

### Product description

Agera® Proline Prof multi-functional abrasive Power Mesh discs for dust free sanding. With Agera® Proline Prof Power Mesh discs we have created a product that provides virtually dust free sanding, meaning a cleaner and healthier working environment, a better finish and a much more comfortable sanding experience. Power Mesh discs are a multi-functional abrasive, designed with thousands of holes created by the unique open mesh backing. This structure allows for powerful and effective dust extraction in any application. We design to perform!
