

Proline Prof Sanding Stroke 80x133MM +14H Velcro

Product details

Product description

With our Agera® | Proline Prof we offer you the highest possible quality sanding sheets for sanding hard surfaces and VOC lacquers. The specially developed abrasive grain contributes to 30% faster sanding and thanks to a special anti-clogging coating, the sanding sheets have twice as long a lifespan. The specially developed quality Ceramix Plus can be applied to various surfaces without any problems. Thanks to the 14 dust holes, dust-free sanding is possible, resulting in a pleasant working environment with an excellent end result. We design to perform!

Product information

Product Code	CP-PC
Grain	Ceramix Plus
Bonding	Resin over resin
Backing	C-weight paper
Coating	Closed
Grit range	60+ - 320+

Storage

Store in its original box on "first-in - first-out" cycle. Note: The shelf life may be shortened if the original packaging is not properly sealed or stored in an environment with high temperatures or humidity.

16 °C / 26 °C

35 - 50 %
